

# My Enjoyable school Days

## 1st grader

At first ,I was very worried about whether I would be able to make friends.but through school festival,I made a lot of friends.

## 2nd grader

I went to Okinawa for the second time in my life.

I really enjoyed seeing the beautiful sea,experiencing the Okinawa culture and staying at a local resident's house.

The people of Okinawa and the people staying at the house were very kind.

## 3rd grader

I was so impressed by the final school festival.

My class sold mandarin jelly,grape jelly and popcorn and pizza fries.

The preparation was so difficult that I was worried about whether it would sell.

I was happy when it sold.

I spent a lot of happy days in Yamato Minami high school . I learned many things with friends.I'll never forget these days.
